A. Film Production

1. Logistics Film

Messrs. [ ] agreed on script changes which involve eliminating two scenes from the present script and re-shooting another, plus adding a scene at the end of the show to overcome the dark mood which those present at the interlock thought existed.

Before submitting the script changes to the technical advisors for approval, a rehearsal by the actors will be held to ascertain whether or not they are capable of putting across the involved dialogue.

2. Secret Writing Film

The contractor advises finished projection print will be delivered next Monday, 31 March.

3. Office of Communications Film

The production crew was [ ] 17 through 19 March for the purpose of shooting scenes for this film in the field. Work was suspended the afternoon of the 18th. due to heavy rains. Approximately one day of work remains and Commo has requested that, weather permitting, this be accomplished on 31 March since their equipment must be returned to the headquarters area.
